LEGENDAIRY!

HOLY COW!

Don't try and milk him!

Buff bull is beaut for the barbie

ALL this bully needs is a pair of lairy shorts, a designer T-shirt and some $400 trainers and he'd pass for a regular at any inner-city gym.

The big muscly moo machine ain't on the 'roids, but. He's like that 'cos he's a Belgian Blue, a breed of beef cattle that sometimes has a natural genetic mutation that make them look like Arnie in his BEEFED-UP prime.

The mutation causes a condition called "double-muscling", and no prizes for guessing how that turns out.

Beef cattle producers love the buffed-up Belgian Blue because, pretty friggin' obviously, you're gunna get a fuck of a lot more steaks of this bulky bastard than your average bony-arsed grass muncher.

So no Belgian kiddy need ever go without a sizzling T-bone for dinner.

Geez, wouldn't it be grouse if they could find some way to cross 'em with sheep and get legs of lamb the size of Clive Palmer's flabby thighs!

Get on it, science cunts! ■ Picture

ONE in a DILL

Dillion Harper is super cute and ready to root

IF Dillion Harper isn't the damn cutest thing in porn you can cut off our legs and call us 'Shorty'.

She could give cute lessons to baskets of Labrador puppies. A fluffy kitten playing with a piece of string is ugly and gross by comparison.

And to think Dillion – it rhymes with 'million' – could have been

ION

HAVE A HAND SHANDY!

lost to the world of porn and wound up in dentistry.

'Cos she was training as a dental hygienist before she started in porn. What a waste that would've been!

Nothing against dental hygienists, but... you know.

Dillion reckons she'd never even SEEN a porno until she was in one,

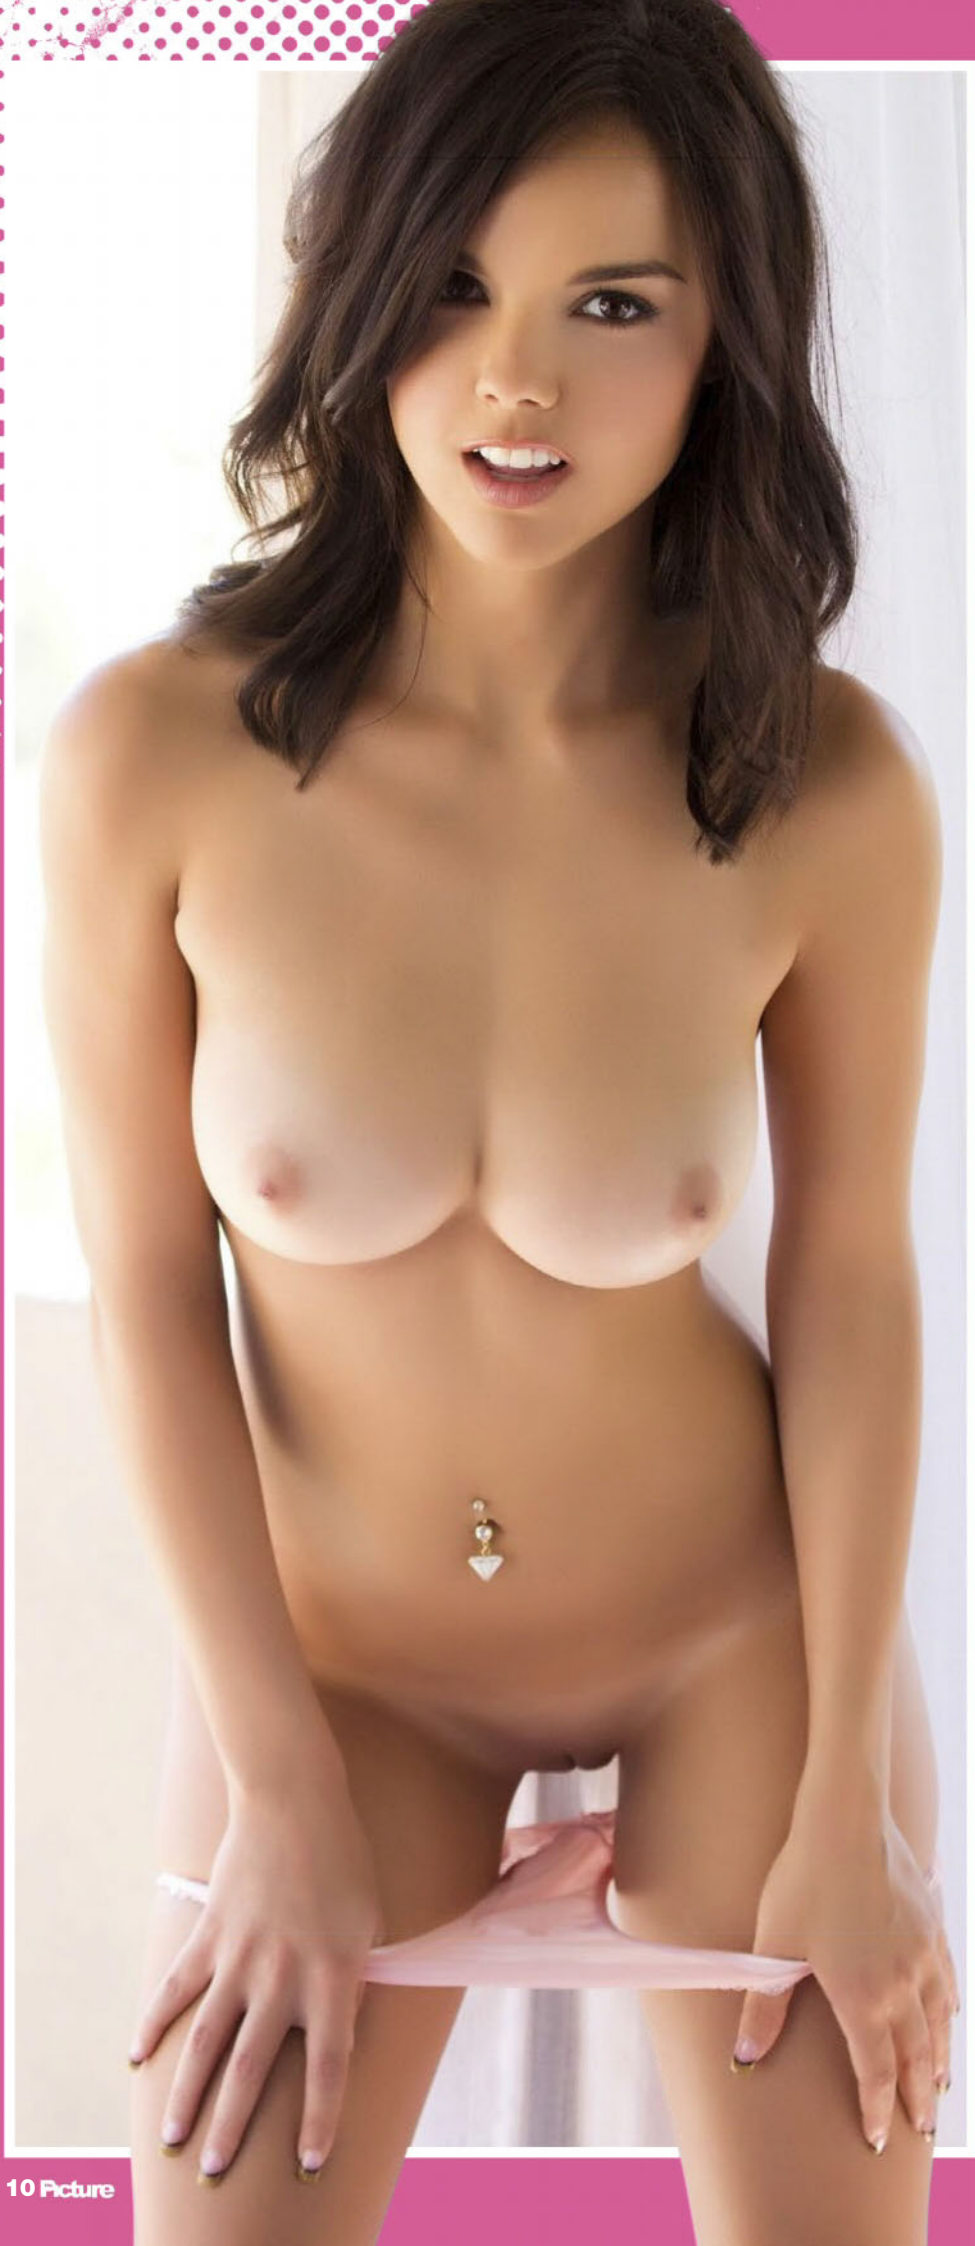
"I was shy and timid and never came out"

and probably would've been voted: "Girl Least Likely To Become The New Porn Sensation" at school.

"I was the girl who sat at the back of the classroom. I was shy and timid and never came out, and I kinda felt porn was my way to come out and let loose."

And let loose she has, featuring in a couple of hundred titles in her four year (so far) career.

But she still can't seem to shake that



girl-next-door tag.

"Because I have the innocent look, I get a lot of the girl-next-door sort of roles," she says. "I mean, it fits me and it's a lot of fun... but I like doing the other stuff, too.

"I like boy/girl/girl scenes. I like having both things to play with because they're totally different. When you combine both of them together it's fucking awesome!"

Innocent? Hmm...

When asked to put a finger on what

"I'm known for my titties"

was made her such a stand-out star in the field of fuckumentaries, she explains: "I think people just think I'm down to earth, and I think they feel a real connection when they watch my videos. Um, also my titties. I'm kind of known for them."

We couldn't have said it better ourselves. ■ Picture

#267 WE DREW A COCK ON IT

DOZER DODGEMS

IF YOU thought things get a bit aggro on building sites here in Oz, check out these cowboys in China. Two competing companies went dozer-on-dozer at a site in Xingtang county, Hebei province, over the right to hang around all day drinking cups of tea waiting for the concrete to arrive, then knock off early cos it looks like it might rain next week. They got out the heavy gear and had a demolition derby in the street. Right on, bruvvers!

ROBO-CAT

THIS Brit cat is tougher than a cheap pub steak. Three-year-old Puss Puss may have a weak-as-piss-piss name, but she made it home after being hit by 30 shottie pellets. She went missing from her home in Ardleigh, Essex, for a week, then lobbed back, bloodied but unbowed. After a bit of cutting and stitching and having one eye removed, she's OK – and Zeus help the bastard who shot her. Word on the street is that Puss Puss is looking for PAYBACK.

She doesn't have to wear a bell anymore.

No, that won't buff out with a good polish.

$50K PRANG!

BEING a flash dickhead on your own wedding day never works out well – just ask the deputy mayor of Auburn. UK bozo Usman Ali, 25, who works as a tyre fitter in his dad's garage, put down a $10,000 deposit on a $480,000 Ferrari 458 Spider to use on his big day – then smashed the schmicko wheels into a wall. So now he's up for the $40,000 insurance excess as well as losing his deposit. He and the missus should've taken the bus, eh.

KING OF POP

THOSE wacky Sufi Muslims in India have been up to their old eye-poppin' tricks again. Every year these crazy champions entertain the crowds on their pilgrimage to the shrine of Sufi saint Khwaja Moinuddin Chishti in Ajmer, Rajasthan, by plucking their peepers half outta their heads. We dunno why, but people come for miles around to watch it. Maybe they're just starved for entertainment. The poor fuckers probably don't get *My Kitchen Rules* or *Married At First Sight* over there. How do they fucken survive?

EYE-EYE, CAPTAIN

UP YA ARSE!

THE UK is experiencing an epidemic of ARSE ROOTING, and the Pommy goverment is not happy about it. The UK's Department for Culture, Media and Sport reckons young Poms are having a go up the Cadbury canal, despite the fact that most sheilas aren't that keen, cos they see it all the time in pornos. They reckon that restricting acess to porn might help curb the rampant arse-rooting. We reckon if they just watched more SMOO-CENTRIC fap flicks, it might work itself out.

WHY HIPPOS MUST DIE

HIPPOS are cunts. They kill more people in Africa than all the other critters put together, yet somehow people still think they're all cute and cuddly. The bludging fat pricks won't even clean their own teeth after they've chomped down a few natives, which is why this bloke is scrubbing this one's filthy fangs for it in Japan's Tennoji Zoo. Probably has to wipe it's arse for it, too. Fucken hippos. Get a job, ya pricks!

Pudgy Pom scoffs snags every day for 22 years

SAUSAGE-addicted Brit Daniel Pennock, is CRYING out for help. After a life-time of eating nothing but snags and chips, he wants to turn over a new leaf.

Hopefully, a LETTUCE leaf. Y'see, Dan, 26, reckons he has a wacky eating disorder that started when he was a nipper and means he can't eat anything but snags with a side of fried spudlets, or he comes over all QUEER.

"I'm fed up," Dan proclaims, somewhat FUCKEN IRONICALLY.

With tears rolling down his GREASY FACE, Dan – from Wakefield, Yorkshire, where the sausage is revered as GOD – says he wants to give up his BANGER-CENTRIC diet so he can get all fit and become a PERSONAL TRAINER.

But his perpetual SNAG BREATH would be bound to put off potential clients, so he is saving up to go to a London-based therapist who specialises in SAUSAGE-RELATED DISORDERS. At around $600 a sesh.

With the proper treatment, and the appropriate emptying of his wallet, we reckon Dan will eventually conquer the addiction that has plagued his life for 22 years.

Maybe they'll get him onto the HEROIN – that always seems to take the weight off quite nicely!

So good luck, Dan! You're an idiot, but that doesn't mean that we at THE PICTURE don't CARE about you. ■ Picture

nsa kers!

Winter is coming – and so will you be when you check out this *G.O.T.* look-alike

NO, IT'S not *Game of Thrones* actor Sophie Turner – but we reckon look-alike porn star Violet Monroe is even better than the chick who plays Sansa Stark in the tits 'n' dragons TV series.

Check her out – she's far more naked than we've ever seen Sophie, and the kind of stuff Violet gets up to in front of the cameras is heaps raunchier that anything you've seen on *G.O.T.*

But like *G.O.T.*, Violet's journey to full-on porn queen is a fascinating story full of crazy plot twists, heart-stopping action and nudie bits. Not so much of the dragons, but.

DAME OF THRONES

SHE'S MY DOPPEL-BANGER!

The 27-year-old from Minnesota reckons she was actually a lezzo-leaning science nerd before she opted for a career in porn.

"I was only with three guys before I got into the industry," she recalls "With girls I was much sluttier. But I didn't really do anything crazy until I got into porn."

The motivation behind why Violet got into the fap flick business, she reckons, was her dumping by her lezzo girlfriend.

"I was dating a girl for two years and she basically broke my heart. I was feeling very impulsive and I wanted to do something crazy."

So Violet, who had been doing some nude photographic modelling, booked an interview with a porn producer, shot her first lezzo scene three days later, and started fucking blokes on screen soon after that.

That was seven years ago, and since then Violet has done just about every filthy thing you can think of, and then come back for a second helping.

She still has one cherished dream she'd like to fulfil, however.

"I really get off on the idea of my fans having sex with me. Just the thought of people who have masturbated to me for so long actually having sex with me. Just the look on their faces would be awesome. I'm weird, I guess."

That kind of weird we like, Violet!

the IESS

EVEN though this was Izzy's first ever nude photo shoot, it's not the first time she's unveiled her hot bod to the public.

Far from it. Before the 25-year-old ex-Kiwi fitness trainer got into her current profession, she was into the nudity caper as a stripper around Brisbane.

"I did it for about four years full-time," she tells us.

Why'd ya get into that?

"I thought it would be fun – and it was! I'm pretty sure I got as much

iCandy Productions

CAN YOU KEEP UP WITH HER?

entertainment out of it as the customers did. I used to tell them all sorts of lies about myself – that I was a Russian orphan, sold into slavery, all sorts of nonsense like that. Anyway, I loved it while I was doing it, but I don't think I'll ever get back into it full time. Those days are done and dusted. It was too exhausting. I want to be a career woman and build up my training business now."

But don't ya miss the glamour, the excitement – the NUDENESS?

"No, I get plenty of that. I have a group of nudist girlfriends and we climb mountains in our underwear! Well, hike really, but when we get to the top, we strip off and lay in the sun naked."

We like the sound of that.

"We also hit the nude beaches around Brisbane. We love watching the old pervs walking round with their hairy balls hanging down. It's all good fun."

"WE HAD SEX ON SOMEBODY'S FRONT LAWN"

Made in Oz Girl

How's ya rootin' life going?

"It's sort of on hold at the moment. My boyfriend's in the army on deployment overseas, but I have this gadget called a We-Vibe that he can control with an app on his phone, and he can get me off from the other side of the world."

Bet you'll give him the bonk of his life when he gets back, eh.

"Oh yeah! We're a pretty horny couple. When we first hooked up we had sex on somebody's front lawn in the middle of the day, then we drove off somewhere else, parked and had sex on the bonnet of the car. We couldn't stop ourselves."

That's a lovely story!

"And a little while ago we were on holiday in Valencia in Spain and we started having sex in the spa on out balcony. Then we heard the couple in the room on one side of us start having sex in their spa, and then the couple on the other side did too. We started a chain reaction!" ■ Picture

Oz's best MAN CAVES

WHO:

Mick, Truck Driver

WHERE:

Cheltenham, VIC

It needs more balls

REASON FOR BUILDING: It was always gunna be a man cave. I live in a house full of girls; there's my missus and my kids are girls, so I needed my own space.

FEATURES: I've separated it so one half has the workbench space and the other has the play stuff like the fridge, the pool table, the bar, TVs with Foxtel and the fish tank. The fish tank has freshwater goldfish and yabbies in it.

FAVOURITE FEATURE OF SHED: Definitely the bar. I built it in about a day, it's a Bunnings special. Well, treating the wood took a little longer but I knocked it together in a day. I've got a variety of bourbons behind there, some electrical stuff and nibblies in a cupboard hidden from the kids.

SHED MOSTLY USED FOR: Watching footy and I've got a couple of muso mates who'll come round and we'll have a play. I'm trying to learn the harmonica and the bass guitar at the moment.

BEST THING EVER TO HAPPEN IN SHED: My 40th birthday. We had a huge gathering with a spit out the back. My birthday falls on the Grand Final weekend so it's always a good one.

FUNKY MONKEY

BEING a chimp in a Japanese zoo sounds like an easy life, All the sushi you can eat, free manga comics and karaoke every night. Sweet! We'd dress up in a monkey suit and take the job if we could get away with it. But the yearning for freedom got too much for Chacha here recently. He went over the wall from the Yagiyama Zoological Park in Sendai, and enjoyed a zesty two hours of playin' high wire chasings with cops and zoo workers through the nearby 'burbs. He was having a great old time swinging on electrical wires and waving his big, hairy ballsack at the assembled crowd of gawkers. Eventually, though, the heavy hand of authority came down on him in the form of a tranquiliser dart, which zapped him unconscious and he fell into a blanket held by some concerned citizens. Chacha was unhurt, and woke up just a bit drowzy back in the chimp enclosure. What's the bet he gets first pick of the best bananas now? 'Cos all the other chimps would reckon he's just so cool.

HEY Trin, I went to get a massage from one of them little Thai joints the other day and towards the end she asked if I'd like a happy ending and I said yes. So, she finished me off, I paid, and away I went. I know my missus wouldn't be happy with this, but I think it's just a paid service and there's nothing wrong with it. What do you reckon, Trin?

DREW, ROCKHAMPTON, QLD

TRINITY SAYS: ***Personally, I don't consider it cheating or wrong. It's a very common practice these days at massage places and with men. I feel as though it's just a part of the relaxation. I wouldn't worry too much about it, mate – just don't go every day.***

SINKIN' CANS

ARE you a big drinker,Trin? I always like girls who can put 'em away. I think booze makes birds hornier as well. Do ya reckon you get hornier when you're drunk?

NEV, NEWCASTLE, NSW

TRINITY SAYS: ***I'm an absolute devil when I drink, in more ways than one! Admittedly though, I can't handle it as well as I used to be able to.***

TUGGIN' TREV!

G'DAY, my mate Trev and I have a small problem that we're hoping you can help us with, Trin. We're both currently incarcerated at the moment for reasons we'd rather not discuss… we're not guilty, but. Anyway, what we wanna know is if I found out that Trev had wanked over a picture of my ex-girlfriend, is it only fair that I now get to choke the chook over a pic of his wife? What you say goes, Trin, so just give us an answer and that'll be the end of it. Also, we reckon you're a real good sort and would love to meet ya!

K.L., GOULBURN, NSW

TRINITY SAYS: ***Mate, it's your ex, just get over it! If it was your current wife, then that's definitely a no! Plus, if Trevor didn't know it was your ex then it definitely doesn't count.***

"I'M A DEVIL WHEN I DRINK - IN MORE WAYS THAN ONE!"

WET 'N' WILD!

I WAS with this chick recently that could only get wet by using lube. I thought that chicks pussies got naturally moist when they were excited? Or do some get wetter than others? Are you easily excited, Trin?

LACHLAN, COFFS HARBOUR, NSW

TRINITY SAYS: ***Yes, some girls are definitely different than others. Some find it extremely difficult to get wet while others find it very easy. With me personally, if you're pushing the right buttons then I'll definitely be getting slippery and wet!***

KNOT A GOOD IDEA

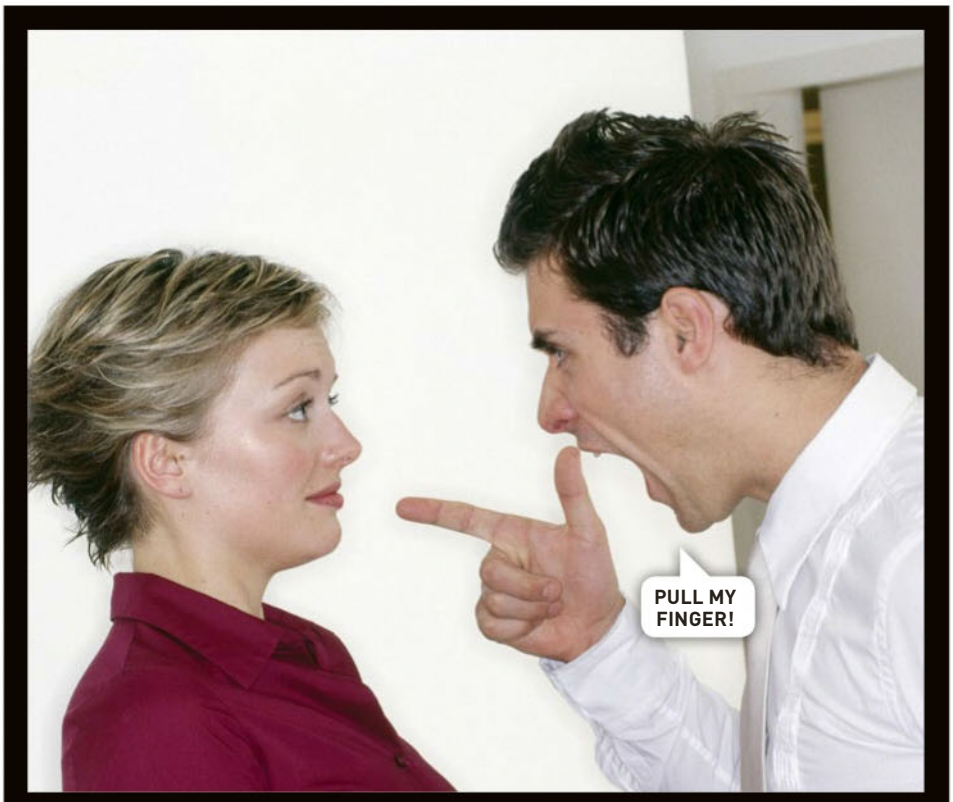
I'VE always been intrigued by bondage. Now that I have a long-term boyfriend I think I have the courage to ask him about it and see if he's keen give it a try. Have you tried rope-play before? What do I need to get started?

SIAN, WAGGA WAGGA, NSW

TRINITY SAYS: ***If I were you I'd go to a bondage parlour and have it professionally done first so you know exactly what to expect and safe ways to practice it. The last thing you want to happen is to do something incorrectly and hurt yourself.***

ANGLE OF THE DANGLE

WHAT'S the etiquette for sending a chick a dick pic? Should I wait till she sends me a nude or should I just bombard her with my cock as soon as I get her number? And how should I photograph it – soft, semi, hard? What's your number? I'll send you a preview…



TRINITY'S SEX TIP

Avoid pointing out her flaws or non-sexy features and traits before or even remotely close to the time period you want to fuck, 'cos that'll put her right off and you'll end up flogging your little guy by yourself.

J.R., PORT AUGUSTA, SA

TRINITY SAYS: ***Definitely wait for her to send a pic of her vagina first or at the very least wait until she asks. ALWAYS send pics of it hard. Soft cocks are ugly and unacceptable.***

HIGH HOPES

I'M KEEN to join the Mile High Club, but I'm not sure how to do it. Have you had sex on a plane? I feel like it would be quite difficult to get into the toilet, have sex, and get out without being seen. Got any tips?

T.K., ORANGE, NSW

TRINITY SAYS: ***It's shit and quite frankly impossible unless you're in first or business class. Plus who wants to have sex where people shit – no thanks, not me!***

MR AVAILABLE

HELLO Trinity, I'm a tall, athletic, beautiful man who's definitely not gay, but I'm a bit of a recluse and spend most of my days lifting weights in the gym not talking to anyone. I was wondering if you knew any young, busty women in Sydney that would be keen to meet up? I'd be able to take them to a nice dinner or movie. Or, even better, are you keen to come get freaky with me? Warning, I'm a fantastic lover.

JORDAN, SYDNEY, NSW

TRINITY SAYS: ***Stop being lazy and get out and start talking to some women – it doesn't necessarily have to be in the gym. It could be at the shops or just around town, or even online. Think of picking up girls the same as you think of the gym – put the work in and you get results!***

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

She'll never eat fish again

WHO:
Seppo teenager Koral Wira

WHERE:
Florida

WHAT:
A barracuda chowed down on her arm

OUCH FACTOR:
97%

NOT TO MENTION TOTES EMBARRASSING AND, LIKE, EWW, SUPERGROSS!

WE SINCERELY feel for Koral. For a start, her dad dragged her out for a day's fishing, which is not exactly the past-time of choice for the average 14-year-old girl.

Then, as often happens with people out on the briny, she was sea-sick, so what might have been a nice a day on a boat turned into a nightmare of heaving guts and spackling the waves with the Coca Pops she had for brekky.

And THEN her mad fisho dad hooked into a metre-long barracuda, which took off like a kamikaze pilot, landed in the boat and latched onto poor Koral's arm with its gnarly, razor-sharp teeth, slashing it to bloody ribbons.

Top day out for young girl, eh. And to think she could have stayed at home listening to some Bieber tunes and texting her mates with bulk emojis and 'LOLs' and shit.

The poor moppet needed 51 stitches to close her wounds, and to make matters worse, her dad made her pose for a photo with the fish that attacked her after he'd stabbed it in the head.

The memory of that day will probably haunt Koral for life.

Still, it's all a learning experience. One day she'll look back at it and laugh.

It the meantime, though – GET UP, YA SOOKETTE! ■ Picture

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at:

COOKING UP A CREAM PIE

YOU wanted to know about porno take-offs – how about a new TV show, My Cock Rules, where amateur blokes who fancy being professional porn stars come in and fuck a chick in front of a panel of porn experts who then rate them for style. Then it'd be the chicks' turn in the next series, My Cunt Rules.

P.K. BALRANALD, VIC

MUNGO SAYS: Yeah, that works. Although, to be honest, I dunno whether we need any more cunts on TV. There's far too many already.

REVERSE GEAR

G'DAY Mungo. How'bout instead of *Top Gear*, we do Top Rear? It would star three ageing Pom fuckwits that get to test drive some first class arse. It'd need a big budget, and some fast talking to get the likes of Jesse Jane to sign up for a pounding by Jeremy Clarkson, though.

P.L., MILDURA, VIC

MUNGO SAYS: There'd have to be a bit of dosh on the table for the chick stars to be rooting J.C.. He wouldn't shut up the whole time, then he'd complain her suspension wasn't up to it, or she couldn't handle the corners. You'd have to ditch him and get someone a bit less fugly and cranky – which is exactly what the producers of the real Top Gear have done.

FREEDOM!

MUNGO, I've got to get this off my chest. I've had my nose down and tail up since leaving school, slogging my fucking guts out to make a living, buy a house and a few luxuries etc. Never been on the dole, and always chucked money to the Salvos and people like that. One of my little pleasures in life is THE PICTURE, because the stories give me a laugh and the sheilas in it are spunky and seem to be OK with showing a bit of skin. The other day I was sitting on the tray of my ute on a building site reading the latest issue and this sheila walked up and gave me the biggest spray about how I was a pig and should be ashamed of myself and all the rest. I was so mad I could barely get the words "fuck off, you bitch" out of my mouth. I still get worked up just thinking about it. Who do these cunts think they are?

B.K., WESTMEAD, NSW

MUNGO SAYS: It's a fucken poor state of affairs when every cunt reckons they're allowed to tell every other cunt what they can and can't, read, say, think, laugh at, or wank over, for that matter. When you can get dragged into court for having a bit of a laugh, or chucking your two cents worth in even if it hurts someone's feelings. They can all get fucked. Never mind, mate. You're amongst friends here.

Tom's an old hand at crazy possies

WE'RE ON A MISSION!

I'D LIKE to see a porno movie spoof of *Mission Impossible* called Position Impossible, where trained experts fuck each other in crazy possies, including dangling from the ceiling on ropes.

JAKE, EMERALD, QLD

MUNGO SAYS: Yeah, fair enough, Jake. It ain't fucken Shapespeare, but. Bit light on for plot. In fact, I've seen real pornos with a more detailed story than that. Still, if they can keep churning out Batman movies...

We've caught a keeper!

FISHIN' SHITS

HI MUNGO, have you ever experienced a bad day spent with rod and line when you didn't get so much as a bloody bite, only to come home to watch a fishing programme on TV showing some smart arsehole reeling in whopping big fish after every cast only to release the bastard back into the water again? It's enough to give you the fucking shits.

R.W., BELMONT, WA

MUNGO SAYS: I thought you'd have worked out my attitude towards fishing by now. Why spoil a nice day in a boat? If ya wanna kill a few fish, go for it, but at least eat the fuckers afterwards. Why waste your time dragging the cunts outta the water by a hook through their gobs and then chuck 'em back? As for TV fishing shows, fuck me, why not tune into to the stamp collecting channel. Get fucked.

MUNGO WANTS TO KNOW...

OK, it seems B.K. in Letter of the Weeks needed to get that out of his system. Anyone else wanna let loose with both barrels and tell Uncle Mungo what's buggin' ya?

You're Joking

A MAN woke up after a heavy night of drinking to find his wife happily cooking breakfast. Confused, he approached his daughter for an explanation of last night when he arrived home.

"You kicked in the door when you couldn't get your key in the lock, fell through the table and broke it, and pissed your pants."

"Jesus!" the man exclaimed. "So why the hell is she in such a good mood?"

"When she tried to take your pants off to wash them, you slapped her hand away and said, 'Get your hands off me! I'm married!'"

T.N., ADELAIDE, SA

THE owner of a wine shop gets a phone call in the middle of the night. A slightly panicky voice on the other end says, "It's an emergency! When does your shop open?"

He replies in a tired voice, "I just closed half an hour ago. It won't open till tomorrow morning."

Sometime later the owner is woken up with another call, "How long till you open? This is urgent," says the same, but now slightly pissed, voice.

The puzzled owner replies, "I told you, not till the morning."

A few hours later the phone rings again, "What time'll your fuggin'shop open, ya cunt?" shouts the same voice, now totally hammered.

The angry owner, shouts back, "You bastard! I told you – in the morning! And you don't sound like you need any more wine by the way your night's been going."

The heavily drunk voice replies, "I've got plenty of wine. What I need is a way out to get out of your shop."

A MAN accidentally overturned his golf cart rounding the turn onto the 18th fairway.

A very attractive woman who lived in a villa beside the golf course heard the crash and came running out. "Are you okay?" she asked. "Can I help?"

"I think I'm okay, thanks," the man replied as he pulled himself out from under the crashed cart.

"My name's Elizabeth," she said. "Come to my villa, rest a while and I'll help you get the cart up later."

"That's really nice of you," he answered. "But I don't think my wife would like it."

"Oh, come on now!" Elizabeth insisted.

She was very sexy and wearing only a flimsy robe that barely covered her large, heaving tits. The man reconsidered.

"Well, okay," he said, "but I'm sure my my wife won't like it."

After a couple of restorative scotches he thanked Elizabeth. "I feel a lot better now, but I know my wife is going to be really upset. So I'd best be on my way."

"Don't be silly!" Elizabeth said with a smile, letting her robe fall open to reveal her naked body. "She won't know anything. By the way, where is she?"

"Still under the cart, I suppose."

A BLONDE and a redhead are walking past a flower shop where the redhead sees her boyfriend inside buying flowers.

She sighs and says, "Crap! My boyfriend is buying me flowers again."

The blonde looks at her quizzically and asks, "Don't you like getting flowers?"

The redhead says, "I love getting flowers, but he always has expectations after giving me flowers, and I just don't feel like spending the next three days on my back with my legs in the air."

The blonde asks, "Don't you have a vase?"

A WOMAN was in a private hospital room in a coma and her husband was waiting outside waiting for any news.

The doctor came out and explained every time he got near the woman's crotch, her heart rate increased, and told the husband he believed oral sex would help bring her out of the coma.

The husband entered the room. Shortly after, the doctor heard the life-support apparatus flat-line and rushed into the room to ask what happened.

"I don't know, doc," the husband replied. "I think she choked."

D.R., MELTON, VIC

AN 80-year-old retired bloke loved to fish .He was sitting in his boat dangloing a line one day when he heard a voice say, "Pick me up." He looked around and couldn't see anyone.

He thought he was dreaming when he heard the voice say again, "Pick me up."

He looked in the water and there, floating next to the boat, was a frog.

The old bloke said, "Are you talking to me?"

The frog said, "Yes, I'm talking to you. Pick me up, kiss me, and I'll turn into the most beautiful woman you've ever seen. All your friends will be envious because I will be yours forever."

The old bloke looked at the frog for a while time, reached over, picked it up carefully and placed it in his shirt pocket.

The frog said, "What, are you nuts? Didn't you hear what I said? I said, 'Kiss me, and I will be your beautiful wife.'"

The old guy looked at the frog and said "Nah. At my age, I'd rather have a talking frog."

50 SHADES OF ALEX GREY

Teen porn star isn't as innocent as she looks

"I'VE HAD SEX IN A MALL BATHROOM"

MOST 19-year-olds are still flipping patties in takeaway joints scraping together enough coin to pay their YOONI fees, but not Seppo FUCKTRESS Alex Grey.

The beaut blonde, who has a body that comes with a free lifetime stiffy for every viewer, has already racked up a total of 25 FUCK FLICKS including titles such as *Teenage Dream* and *Fuck Session In Parent's Bedroom*.

"I love my life," breams Alex. "And I hope I can keep doing what I'm doing."

So do we, Alex. What gets you in the mood for rooting?

"My biggest turn on would have to be being kissed on the neck – oh, and unexpected oral! And during sex I enjoy hair pulling and spitting."

Wait – unexpected oral? What do you like so much about MOUTH CUDDLES?

"THE HUMAN BODY IS NATURAL"

"I just love it. I like the reward of cum and I enjoy having it in my mouth then swallowing it."

BOING! Where's the craziest place you've given head?

"I've given an ex-boyfriend road head while we were going for a drive, then I made out with a different ex a few hours later. Oh, and I've had sex in a mall bathroom."

Through extensive research, we have ascertained that you take it up the TAILPIPE a fair bit – tell us about that?

"The best sex I've ever had was the first time I tried anal. I really love it – the orgasm is totally

different and way more intense."

What do you reckon your best physical feature is?

"My feet. They're cute."

Ah, OK. If you say so. Do you enjoy FUCKING for a living?

"Yeah, I love it and I feel like a complete bad-ass on set when I'm nude. The human body is natural, more people should embrace it!"

Fine, we'll embrace you. What's been your fave experience on set?

"Probably one of my girl-girl scenes with either Madi Meadows or Nina North. Awesome chemistry. But something I'd really, really like to do is have a threesome with real-life married porn star couple Kissa and Johnny Sins."

My Sly Fuck

HOWDY NEIGHBOUR!

IN MY uni days I lived in a crappy studio flat with a mattress on the floor and a second-hand telly, livivg on pizza and cask wine.

But I had a hot girlfriend who'd come around for a fuck now and then and clean up the joint for me.

Every so often she'd get the shits at the filth I lived in and not come over for a few weeks, leaving me to wank to porn, 'cos I really didn't want to cheat on her.

During one of these periods, this middle-aged woman who lived in one of the other flats with her husband gave me the eye as I walked down the corridor.

She basically invited herself in as I opened my door, so I grabbed a box of goon and squeezed a couple of glasses out for us.

Turned out her hubby was away for work. She had the hotpants on something fierce and had decided I was just what she needed to tide her over.

I thought: "Yeah, why not?" and chucked the pizza and goon boxes off the mattress so we had some space.

She was pretty hot for an older babe and knew what she wanted. She grabbed my dick and pulled me on top of her. "Just fuck me," she said. So I did.

The hips were going like a cement mixer, and she had a pretty good smoo-grip on her.

She came a couple of times, but every time I was about to shoot my splooge, she backed off, so by the time I did shoot I nearly passed out it was so good.

Then she just pulled her gear on and disappeared out the door. My girlfriend came over the next day to resume our sexual relations, so I never got another crack at the neighbour. But every time I saw her around the joint, she'd give me a smile.

PARTY ON, DUDES!

NORMALLY I wouldn't cut someone's grass, but I'll make an exception when the bloke's a dickhead and his girlfriend is super fucken hot.

I was at this house party, mostly couples, where just about everybody knew each other. I was there on my own, having recently been dumped, so I was mooching around outside on the balcony when the hot girlfriend of a mate – well, a mate of a mate, actually – came up to me and really started putting it out there.

She was pushing her tits at me and rubbing her thigh against mine, and I cracked a huge throbber in no time flat. But I wanted to know what was going on first, so I asked her about what's-his-name.

She pouted a bit and said he took her for granted and it was all on the rocks, So I figured that was a good get-out clause on the no grass-cutting rule and leaned in and gave her a big tonguey. She responded by stroking my dick through my jeans, so I knew it was on. But where? We couldn't go back though the house 'cos everyone would see us. Luckily there were some stairs to the ground, so we went down under the balcony and made a space for ourselves amongst some old timber and stuff. We didn't dare strip off, so she just slipped her panties off and pulled up her dress, and I dropped my jeans as far as my knees and crawled up between her legs. She sure was ready for it – her cunt was wet as anything, and she started moaning as soon as I slid my cock into her.

Given the circumstances, it was a bloody good fuck, and she had a big smile on her face after she came. Then we had to brush the dust off each other and go back to the party and pretend nothing had happened. She dumped the boyfriend the next week and we had heaps of good fucks after that.

I HAD this surfie boyfriend when I was about 18. He was hot, with blonde hair and a six-pack, but pretty annoying. I'd be lying there on the beach in my string bikini with my D-cup tits barely covered and my shaved smoo practically dripping, and he'd just crack another fart joke to show off to his thicko surfie mates.

One day he was giving me the shits more than usual, so I told him I was fucking fed up and he could fucking go fuck himself, and stormed off up the beach.

I only went a few hundred metres, cos walking gives me the shits, and was wondering what to do next when I spotted this hot lifesaver near that tower they sit on. He was older, taller, and even better looking than my boyfriend, and I liked his cute little hat, so I hung around, pushing my tits out and pulling my bikini bottoms up my crack.

When he finally noticed me, I smiled at him and asked him if he could show me where the nude section of the beach was. I knew there wasn't one, but thankfully he got the hint and the next thing we were walking off into the sand dunes.

He lay a towel down, I whipped off my bikini and got on my hands and knees and pulled his big, hard cock out of his Speedos.

I swallowed it down balls deep, at the same time looking up at him with my big, blue eyes. Then I turned around and waggled my bum at him, while I was reaching up between by legs and spreading my pussy lips. He mounted me, and we fucked in the hot sun, until he made a funny "UNGH!" sound, pulled out and shot his load all over my back.

I put my bikini back on and went for a dip to wash off his spunk, then went back and lay down next to my boyfriend. I don't think he'd even noticed I'd been gone.

Do you also like swinging around MEAT POLES?*** "Yeah, I really enjoy getting off in the shower. Making me laugh goes a long way." ***What's the best way for a bloke to get you in the mood for a shag?*** "There's nothing better than a nice, sensual massage. GO FACT YOURSELF!

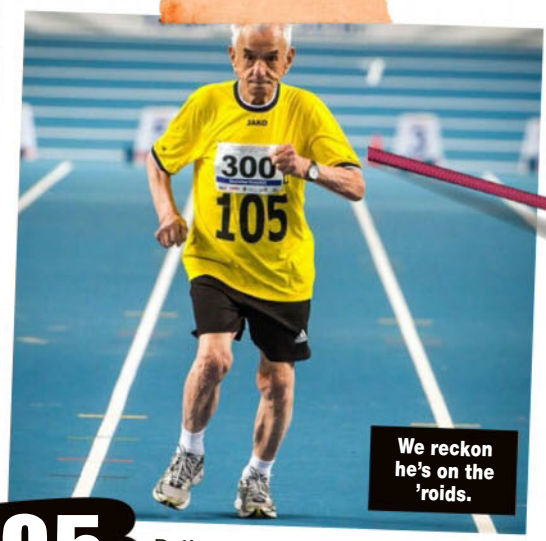
OLD SPORTSMEN

01. The need for speed has never left Sweden's Olle Anstrohm, who continues ice-track motorcycle racing into his 96th year! Good luck trying to put this MAD DOG into a nursing home.

02. Pommy rugby winger Easton Roy played for Stirling County FC until retiring at 85 – then made two cameo return appearances for the club aged 90 and 92.

03. While he retired from major golf tournaments at 73, South Africa's Gary Player is still belting the cover off 'em at 80. Gaz posed nude, with his 1-WOOD discretely hidden, in ESPN magazine in 2013.

04. A world champ at both billiards and snooker, Fred Davis only placed his cue in the rack for good at 79. The Brit blamed bastard arthritis.



We reckon he's on the 'roids.

05. Believed to be the world's most senior athlete, Stanislaw Kowalski is a SPRITELY 106. The Pole holds age-group records for the 100m dash, shot put, discus and the number of times he's caused people to ask: "He's fucken how old?"

06. US Army vet "Skip" Hall made his MIXED MARTIAL ARTS debut at 57 and scored a few wins before retiring at 63. Less impressive was the revelation he hadn't served with Special Forces in Vietnam as he claimed, but had been a typist in Korea.

07. Aussie potato farmer Cliff Young won the 1983 Sydney To Melbourne Ultramarathon aged 61. The cunning old SPUD WRANGLER took part in his last long-distance race at 78.

08. When a Bombay Governor's XI met a touring Commonwealth XI in 1950, they were led by 72-year-old Raja Maharaj Singh. It was an INSPIRED SELECTION by the guv at the time – a Mr Raja Maharaj Singh!

09. Pom footballer Sir Stanley Matthews played in the first division until 50 and didn't give competitive soccer THE FLICK 'til he was 70. That's a long time to put up with the frankly shithouse nickname "The Wizard Of The Dribble".

SIZE Really Does Matter!

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom

Imagine when your partner sees how thick and long you are. Eliminate worries about going soft or coming too soon. Maintain virility so that you can increase the number of times you can perform.

To increase the size and power of your penis you need a solution that works. You won't find a more potent formula for growth and development !
